

CHANGE IN OKLP LEADERSHIP

This past month Tim Krahling resigned his position as vice chair of the state party due to personal issues. We are gonna miss Tim's sense of humor and commitment to promoting the principles of liberty here in our state. We wish him all the best and look forward to working with him again at some future date.

Fortunately, the central committee didn't need to look very far for Tim's replacement. Meetings were already taking place with a bright young activist from Choctaw for the newly created position of Chapter Liaison. The move to vice chair in lieu of that position just seemed natural. So it is my distinct honor to introduce Bailey Betz as the new vice chair of the OKLP. Welcome to the team Bailey!

Welcome as well to our new volunteer coordinators Jenny and Robert Lorrach! They are also coordinating for the Johnson/Weld campaign. Contact them [HERE](#) to get plugged in.

OKC PRIDE PARADE 2016

This was the 2nd year for the OKLP to have a float in the OKC Pride Parade. Over 42,000 people saw and cheered our message "All Rights, For All People, All The Time." We are the ONLY party that can deliver that message with any integrity. Proof of its popularity came in the form of smiles, waves, peace signs and blown kisses liberally returned to Lady Liberty.

Our float also commemorated the terrible events which took place in Orlando on June 12th. That day 49 people were gunned down and dozens more injured at a gay nightclub called, The Pulse.

We marched to Peace Train by Yusuf Islam, aka Cat Stevens. "Now I've been smiling lately, thinking about the good things to come, and I believe it could be Something good has begun"

LOOKING FOR CHAPTER COORDINATORS

Let's build a party! Interest in the OKLP has never been higher! It's time to take advantage of that momentum and expand our infrastructure.

If you want to start a chapter of the Oklahoma Libertarian Party or know of someone who does, e-mail me at <chair@oklahomalp.org.> for an appointment. I want to meet with any potential coordinator and share the vision we've developed.

OKLP chapters can be organized geographically such as by county or in almost any other way imaginable. Think college campus orgs, population centers, issue specific groups, hobby groups etc.

T-SHIRT CONTEST

Thanks to everyone who submitted a t-shirt design for our contest! The contest committee has narrowed the choices down to the 3 finalists below. Now it's up to you!
