The Oklahoma Libertarian Party hereafter known as the "Party" seeks to enable citizens of the State of Oklahoma to organize into a political party and to promote the Libertarian principles necessary to the existence of a free society by:

- (a) Publicizing the principles of libertarianism and securing ballot recognition and voter registration rights;
- (b) Seeking out, developing, nominating, and campaigning for the election to public office of Libertarian candidates who pledge adherence to the Declaration of Principles of the Party, and supporting these Libertarians during their continuance in office;
- (c) Extending cooperation with other organizations and groups when this furthers libertarian principles and objectives.

- Abide by all applicable campaign finance reporting laws as determined by the State of Oklahoma and the Federal Election Commission.
- Never use their association with the Party to pursue any objectives outside the realm of Party objectives.
- In the event, they are forming as a Student Organization, respect the rules and regulations of the institutions which govern such groups as long as they are not in opposition to the principles of the Party. The revoking of the Organization's official status by the school's governing institution is not necessarily grounds for the Party to revoke this Charter.
- Abide by the right to revoke or amend this charter by the Party in accordance with its bylaws.
- Oppose and reject the initiation of force to achieve political or social goals.
- Notify the Chair and the Secretary of the Oklahoma Libertarian Party of the intent to Charter at least thirty (30) days prior to presentation before the Executive Committee for a vote or at a properly convened State Convention.

- Respect the voting privileges and organizational structure of the Chartered Organization
- Facilitate regularly scheduled opportunities for the Chairs of all Chartered Organizations to meet and exchange ideas, best practices and project proposals for the express purpose of ensuring a unified vision of activism across the state while fostering the Organization's right to autonomy.
